

The 24th Annual Greater Washington Aviation Open

Charity Golf
Tournament & Auction
Lansdowne Resort
Lansdowne, Virginia
May 14, 2012

3213 Duke Street, #207, ALEXANDRIA, VIRGINIA 22314 • WWW.GWAO.ORG

Dear Friends and Patrons:

We welcome everyone to the 24th Annual Greater Washington Aviation Open—the largest aviation charity event in Washington, D.C. Today, the aviation community is showing the world that by coming together we have the ability to positively affect the lives of thousands of people who rely on aviation to fulfill their dreams.

The tournament proceeds this year will again benefit the Corporate Angel Network and the Veterans Airlift Command. Both organizations have used the GWAO tournament proceeds to further support their respective missions to fly cancer patients and wounded warriors to treatment facilities across the United States. The importance of this support is apparent by the wonderful messages and responses from the recipients upon receiving the beautiful gift of air travel.

We also are very pleased to welcome Jack Potter as our Honorary Chairman this year. Jack is the CEO/President of the Metropolitan Washington Airports Authority and this is his first introduction to the GWAO. His challenging job of bringing together all of the many different governing bodies in the region to support the transportation hubs so vital to our economic vitality is reflective of the tournament goals. Simply said, we come together today in support of a greater cause and we are all the better for it.

This year our Diamond sponsors FlightSafety International and Boeing have provided the greatest support to the GWAO. They are closely followed by our generous Gold Sponsors ITT/Excelsis and Proof Integrated Communications. In addition, the GWAO has numerous sponsors who have contributed collectively a substantial amount of financial and in-kind support to make the tournament a success!

The incredible support of the major airlines continues to make the GWAO one of the premier events for exceptional travel around the world. We are grateful for their contribution of airline tickets to the live auction again this year. In addition, several magnificent resorts/hotels have donated weekend packages for the silent auction, so be sure to make your bids before it closes at the end of the Victory Reception.

We have three iPad III's ready to give away on the final raffle of the evening so please be sure to keep your seat, raise your hand for the live auction, and applaud the presentation of the checks to CAN and VAC. It will truly be a grand day, "Fore a Great Time . . . Fore a Great Cause."

Major Sponsors of 2012 GWAO

The Greater Washington Aviation open is very fortunate to have so many generous sponsors this year. We wish to gratefully acknowledge the companies who have contributed the most to the success of the tournament this year. Thank you!

Diamond Sponsors

Gold Sponsors

Sponsors

Airline Sponsors of Auction

The Greater Washington Aviation Open silent and live auction is famous for offering the finest airline trips around the country and world. We wish to express our sincere appreciation for the wonderful support of the following major airlines!

Golf Tourney Format

The GWAO will be played on the Robert Trent Jones II and the Greg Norman courses at Lansdowne Resort. To ensure a fair and enjoyable tournament for everyone, a scoring system devised by the Lansdowne Golf Professional will be used to handicap each foursome. Tournament results will be announced during the awards ceremony following the Victory Reception.

It is important that all players post accurate handicaps. Teams with winning scores must be able to verify their handicaps using the official USCG computer system. Any determination that inaccurate handicaps or scores were submitted will be grounds for disqualification. It is important to remember that the GWAO is played for charity and fun. Past tournament champions are awarded an additional handicap. If you happen to play well and win, congratulations!

At the start of play, the golf professional will announce the method of play, the rules and the contest holes. This information will be distributed to everyone as well. We are very pleased to have Manhattan's Bethesda Auto donate two beautiful 2012 XJ Jaguars (two-year lease) for some lucky player.

Please be sure to purchase a mulligan prior to play. Mulligans may be used on any shot except for the hole-in-one contest holes. No more than four mulligans may be purchased or used by a team. To keep tournament play moving, please pick up your ball if you are putting or hitting for bogey on any hole.

The Course Rangers have been asked to keep play moving and your assistance is appreciated.
